About Take Charge Mentoring:

Calling all Catholic young adults (16-24 years old) in Mumbai, Navi Mumbai and Thane! Feeling stuck or uninspired? Take Charge can help you DREAM BIGGER and find your inner genius! We're a mentoring program that connects you with a trusted friend to guide you through life's twists and turns. This is your chance to LEVEL UP and become the best version of yourself!

Why Take Charge: https://youtu.be/4m8pejuC_Us

Why do you need a mentor?

Ever feel like you could do amazing things, but maybe need a friend to help you figure it out? That's what Take Charge is all about!

We're this amazing program, having a proud collaboration between St. Joseph's Trust and the Archdiocese of Bombay, to help young Catholic folks in Mumbai (16-24 years old) become the superstars they were meant to be. We have a bunch of super mentors - all with their own unique strengths ready to hold hands with you and help you reach your dreams.

It's all about a super mentor, like a personal guide, to help you explore your talents and chase those big dreams. We're talking next-level stuff!

We've already helped almost 600 incredible young people, and now we're gearing up for round six – that's right, 250-300 brand new mentor-mentee pairs ready to take on the world!

If you're a Catholic youth living in Mumbai Suburban, Navi Mumbai, or Thane and ready to explore and look beyond, then Take Charge is for YOU! Are you up for the challenge?

Next cohort runs from July 2024 to Jun 2025.

The Experience

WHAT TO EXPECT

1. Trusted friend and guide: That's what a mentor is for! They're like a wise friend who's been down your path. They'll help you figure things out, share their own experiences (the good, the bad, and the hilarious!), and push you to be your best self. Even if you're facing something tough you can't talk to anyone else about, a mentor is a safe space to get the guidance you need. And if things get really tricky, there's a whole team to help find the perfect solution.

2. All-round personality development: A mentor helps you build confidence, communication skills, and a positive outlook. They'll open doors to new experiences and people, and help you develop a strong sense of responsibility and awareness of the world around you.

3. Academics & Skill Development: With over 600 alumni and peers, plus access to a mentor network of more than 200 seasoned professionals, amplify your impact and unlock new possibilities in an environment built on mutual growth and support.

4. Career choices (and not career counselling): Feeling lost in the career maze? Our mentors are your personal navigation team. Brainstorm your dream job, explore options, and leverage our network of experts to unlock the perfect path. You're in control – make informed choices and take charge of your future!

THE IDEAL MENTEE

IS THIS PROGRAM FOR YOU

Expectations of the mentees:

1. **Ready to join?** We hold interviews and info workshops (April - June 2024) to ensure you're a good fit. It's integral to the program that you attend each of these.
2. **Small commitment, big impact:** A donation helps run the program. Donations are tax-deductible!
3. **Mentorship magic starts in July!** Meet your mentor, get to know each other, and start your journey.
4. **Monthly meetings:** Connect with your mentor more frequently in the initial months.
5. **Share your progress:** Briefly summarize each meeting on the feedback system.
6. **Boost your skills:** Attend workshops on stress, relationships, time management, communication, job search, and more (at least 3 recommended).
7. **Buddy up!** Learn with other mentees in fun, small group sessions.
